Hi George,

How are you? I hope all is well with you. I moved to Montreal two weeks ago and I thought I'd send you an email and tell you what it's like.

It's a nice, quiet neighbourhood with many parks and green areas. I spend a lot of time at the cafe near my house. They have delicious coffee and cakes. I go there in the mornings and have coffee and read the morning paper. I live next to a florist's and there's a bank opposite my house. The supermarket and the chemist's are nearby, so I don't have to walk far to do my shopping. There's also a cinema down the street. I went last night and saw the new Harry Potter film. One problem is that there aren't many restaurants in my neighbourhood. There's only a fast food restaurant two blocks from my house. Also, the post office is quite far. The good news is that I've met some of the neighbours and they are really friendly. They are taking me to a new restaurant that has opened in the city.

That's all for now. Say hi to everyone and send me your news!

Love,
Helen
