A. Reading Comprehension

Read the text and answer the questions.

ARIAU TOWERS HOTEL

What's a holiday in the Amazon rainforest like? Well, come to Ariau Towers Hotel in Brazil and find out! The hotel is next to the beautiful Rio Negro, or "black river", and it is 60km from Manaus, the largest city in the Amazon. But it's not the location that makes the hotel unique. The hotel is 10-20 metres above the rainforest floor. That's right, it's a hotel in the trees!

The hotel has got eight large wooden towers with rooms for guests and many small tree houses. Eight kilometers of bridges join the different areas of the hotel. So, when guests at Ariau want breakfast, they don't go downstairs. They have to leave their rooms and walk along small wooden bridges to the Ariau restaurant!

So, what can you do high up in the trees in the Amazon rainforest? Well, like any normal hotel Ariau has got big swimming pools, an internet café and shops. And simply walking around the hotel is like being in a huge zoo! You can watch the colourful parrots and monkeys in the trees of the rainforest. Then there are extraordinary activities for guests to try. Guests can swim with dolphins, take a boat ride to see alligators or go on a rainforest tour and learn which plants they can use as medicine.

(Express Publishing)

1. Where is Arian Towers Hotel located?
2. Why is the hotel special?
3. What are guests asked to do to get their meals?
