**A PERFECT HOLIDAY PLACE**

Every summer, my family and I go to our favourite place in the world-the Azores. This is a group of nine islands in the Atlantic Ocean. They are part of the country of Portugal.

There are lots of things to do there. The weather is warm all year, so you can swim in the sea, surf or go whale watching on boats. It's really exciting a sometimes the boats get so close to the whales that you can almost touch them! There are lots of beautiful villages to look at too, and the islands also have the tallest mountain in Portugal! The Azores is home to a large number of amazing species as well. You can see hundreds of types of birds and animals there. So, if you like nature, then there's something for everyone on these islands!

Not many people know about the Azores because they are so far out in the Atlantic Ocean. This means that the islands are a quiet and peaceful place to relax for two weeks. A perfect place for a summer holiday.
